

Valuable parenting points

- * Venues are normally school, church or community centre halls.... this is your responsibility to chose, pre book and pay for.
- * Please be aware when booking your venue, you arrange chair and table facilities, not only for the children to sit and eat at but, for those parents who want to stay also.
- * Try and select a separate area (if possible) for the parents, as sometimes children can get shy infront of too many adults.
- * Make sure your entertainer has somewhere to set up and has a table near a plug socket (for the music system).
- * We can provide parties in you home, but please be aware of the number of children and that breakages can and will happen...please put away your best crystal!!
- * You are to provide birthday tea (sandwiches, carrots, crisps, kids food!!).
- * Oh....dont forget the ever important 'Birthday Cake'.
- * If you do require a face painter, costume character, stilt walker etc....please let us know prior to the party, we do not want to let you down if you have not pre-booked.
- * Outstanding fees to be made to the entertainer on the day of the party.
- * If your party is in central london, parking and congestion charge need to be paid for.
- * Cheeky Monkey Parties will need to be informed of childrens allergies.
- * Cheeky Monkey Parties will need to be informed of any children attending with special needs.
